The authorisation is valid until the Annual General Meeting in 2021, but no longer than until 30 June 2021.

See page 8 for a presentation of the voting figures.

b) to purchase own shares in the market for the purpose of implementing the Group's share savings programme and remuneration scheme for employees

The chair of the meeting informed the meeting about the Board of Directors' proposal for authorisation to acquire shares in the market for the purpose of implementing the Group's share saving programme and remuneration scheme for employees. The purpose of the authorisation is to promote a good business culture and loyalty through employees becoming part-owners in the Company. All employees are invited to take part in a share savings programme, whereby those who choose to participate will save up for discounted shares through monthly deductions from salary.

It is a precondition for the purchase of own shares that the Gjensidige Foundation's percentage ownership interest in the Company is not changed as a result of the repurchase.

Resolution:

The Board was authorised to acquire Gjensidige shares in the market on behalf of the Company, cf. the Public Limited Liability Companies Act Section 9-4. The authorisation can be used to purchase own shares with a total nominal value of up to NOK 2,000,000, corresponding to 1,000,000 shares with a nominal value of NOK 2.

The minimum and maximum amounts that can be paid per share are NOK 20 and NOK 300, respectively. Within these limits, the Board decides at what price and at what times such acquisition shall take place.

The acquisition of shares in accordance with the authorisation can only be used for sale and transfer to employees of the Gjensidige Group as part of the Group's share savings programme or to executive personnel in accordance with the remuneration regulations.

The Board is free to acquire and sell shares in the manner that the Board finds expedient, such, however, that general principles concerning equal treatment of shareholders are adhered to.

The authorisation is valid until 30 June 2021.

See page 8 for a presentation of the voting figures.

c) to purchase own shares in the market for investment purposes or for the purpose of optimising the Company's capital structure

The chair of the meeting informed the meeting about the Board of Directors' proposal for authorisation to acquire shares in the market for investment purposes or for the purpose of optimising the Company's capital structure. Such authorisation enables the Board to exploit the mechanisms provided for by the Public Limited Liability Companies Act, and can be a means of ensuring an optimal capital structure.

Shares acquired in accordance with the authorisation may, among other things, be used as consideration shares in connection with the acquisition of businesses, mergers and demergers, or for subsequent sale or cancellation.

It is a precondition for the purchase of own shares that the Gjensidige Foundation's percentage ownership interest in the Company is not changed as a result of the repurchase.

Resolution:

The Board was authorised to acquire Gjensidige shares in the market on behalf of the Company, cf. the Public Limited Liability Companies Act Section 9-4. The authorisation can be used to purchase own shares with a total nominal value of up to NOK 100,000,000, corresponding to 50,000,000 shares with a nominal value of NOK 2.

The minimum and maximum amounts that can be paid per share are NOK 20 and NOK 300, respectively. Within these limits, the Board decides at what price and at what times such acquisition shall take place.

Shares acquired in accordance with the authorisation may, among other things, be used as consideration shares in connection with the acquisition of businesses, mergers and demergers, or for subsequent sale or cancellation.

The Board is free to acquire and sell shares in the manner that the Board finds expedient, such, however, that general principles concerning equal treatment of shareholders are adhered to.

The authorisation is valid until 30 June 2021.

See page 8 for a presentation of the voting figures.

d) to increase the share capital

The chair of the meeting informed the meeting about the Board of Directors' proposal for authorisation to increase the share capital.

Such authorisation enables the Board to exploit the mechanisms provided for by the Public Limited Liability Companies Act. The purpose can, among other things, be to increase the Company's financial flexibility in connection with the acquisition of businesses, and to ensure an optimal capital structure.

As a consequence of this, the Board requested the general meeting's authorisation to increase the Company's share capital by a total nominal amount of up to NOK 100,000,000, corresponding to 10 % of the Company's share capital.

It is a precondition for the share capital increase that the Gjensidige Foundation's percentage ownership interest in the Company does not fall below 60 % as a result of the share capital increase.

Resolution:

The Board was authorised to raise the Company's share capital by a total nominal amount of up to NOK 100,000,000, corresponding to 50,000,000 shares, with a nominal value of NOK 2, cf. the Public Limited Liability Companies Act Section 10-14. The subscription price and other terms and conditions for subscription are stipulated by the Board. A capital increase within these limits can take place through one or more capital increases, as decided by the Board.

The Board may decide that the shareholders' pre-emption right to the new shares can be waived.

The Board may decide that the share capital contribution can be made in the form of assets other than cash.

The Board was authorised to implement the amendments of the Articles of Association that the share capital increase necessitates.

The authorisation does not apply to decisions on mergers pursuant to the Public Limited Liability Companies Act Section 13-5.

New shares are entitled to dividend from the time they are registered in the Register of Business Enterprises.

The authorisation is valid until the Annual General Meeting in 2021, but no longer than until 30 June 2021.

See page 8 for a presentation of the voting figures.

Such an authorisation will give the Company flexibility by enabling it to raise subordinated loans and other external financing without having to call an extraordinary general meeting first.

Resolution:

The Board was authorised to raise subordinated loans and other external financing limited upwards to NOK 3,0 billion, and to trade in the bonds issued at all times under the Company's subordinated bond issue and on the conditions stipulated by the Board.

The authorisation is valid until the Annual General Meeting in 2021, but no longer than until 30 June 2021.

See page 8 for a presentation of the voting figures.

Item 10 Remuneration

Gjensidige's practice has been to adjust the fees every year in line with the general wage growth for executive personnel in the Company. The Nomination Committee has conducted a thorough investigation of the fees paid to board members in comparable enterprises and found that an adjustment in addition to the ordinary adjustment is warranted to ensure a gradual increase in the remuneration of board members.

On this basis, we propose that the remuneration of board members for 2020 be adjusted by around 6%, while remuneration of the Board's select committees and the Nomination Committee be adjusted by around 3.5%,

On this basis, the Nomination Committee proposed the following meeting fees and additional fees (in NOK):
